

## Donating goods to our shops

We are very grateful for your generous gifted items which we can sell in our charity shops.

We are only able to accept good quality items which are **complete, undamaged and which are suitable for resale**. There are some items which are unable to accept, either due to our storage capacity, health and safety or simply because we have a lot of those items already in stock. Please do not be offended if we cannot accept your items, we do appreciate your generosity, however it costs us a lot as a charity to dispose of items which we are unable to put on sale, taking up valuable funds we want to spend supporting our clients.

**Please do give us a call first you are making a special journey to drop off items, or if you would like to donate furniture.** Our store details are below:

### **Alabaré Wilton Emporium**

Tel: 01722 744111
